The ACCCNRS Charter can be found at: <https://nccwsc.usgs.gov/acccnrs>.

In May 2015, membership terms for several committee members will expire, creating approximately 12 membership openings. The Department of the Interior is inviting nominations for individuals to be considered for these membership openings. Only nominations in response to this notice will be considered. Existing ACCCNRS members, whose terms are expiring, must be re-nominated during this open nomination period to be considered. Self-nominations will be accepted. Nominations should include a resume that describes the nominee's qualifications in enough detail to enable us to make an informed decision regarding meeting the membership requirements of the Committee and to contact a potential member. Additional information will be requested from those selected for final review before appointment. Members selected for appointment will be asked to identify an alternate who can participate in their stead; names of proposed alternates need not be submitted at this time.

The Department of the Interior is soliciting members for ACCCNRS to represent the following interests: (1) State and local governments, including state membership entities; (2)

Nongovernmental organizations, including those whose primary mission is professional and scientific and those whose primary mission is conservation and related scientific and advocacy activities; (3) American Indian tribes and other Native American entities; (4) Academia; (5) Individual landowners; (6) Business interests

In 2015 and later, the Committee will meet approximately 2 times annually, and at such times as designated by the DFO. The Secretary of the Interior will appoint members to the Committee. Members appointed as special Government employees are required to file on an annual basis a confidential financial disclosure report. No individual who is currently registered as a Federal lobbyist is eligible to serve as a member of the Committee.

Robin O'Malley,  
Designated Federal Officer.
